David Bernhardt
COMMISSIONER

December 10, 2013

Mr. Michael Roy, City Manager
City of Waterville
One Common Street
Waterville Maine 04901

Subject: Highway Resurfacing
Federal Project Number NHP-2031(700)
Project Number: 20317.00
Waterville RTE 201

Dear Mr. Roy:

The Maine Department of Transportation is currently working on estimating a highway resurfacing project on Route 201 in the City of Waterville for advertisement of the subject project for competitive bids in January 2014. We estimate that the construction would begin approximately in June 2014 and be complete by the end of October 2014.

The project is further described as follows:

Highway Resurfacing beginning at MAIN ST and extending northerly for 2.03 miles on Route 201 to the Waterville/Fairfield town line

After the new pavement is placed, no permit to open this segment of highway will be granted for a period of three (3) years except as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.

We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as public meeting will not be held regarding this project unless specifically requested by the municipality.

Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. Please feel free to contact me at 557-1663 with any questions or concerns.

Sincerely,

Shawn Smith
Project Manager
Highway Program, Region 2
